

CONTOUR ELECTROL®

The Contour Electrol® and Tensioned Contour Electrol® are the newest offering to Da-Lite's electric screen line. With its stylish curved aluminum extruded case available in either black or white finish, the Contour Electrol® is a beautiful addition to any home theater. An optional choice of seven veneer finishes is also available for the front cover of the screen case for a warm and elegant look. Screen surface retracts completely into case for a clean, modern appearance when screen is not in use. For easy installation, the Contour Electrol® is available with a low voltage control unit or a video projector interface built into the case. The Contour Electrol® and Tensioned Contour Electrol® are available in sizes from 50" x 50" to 12' x 12' in square format, 72" diagonal to 200" diagonal in video format and 92" diagonal to 159" diagonal in HDTV format and are available with a variety of screen surfaces.
